VETERANSRE DECREASE SG RV See Note

Exempts veterans from the payment of fees for special identification cards

Page 1 of 1

Present law exempts veterans for the payment of driver’s license fees, provided that the veterans meet specific qualifications as provided in current law. Proposed law exempts the same persons from payment of fees associated with the issuance of a special identification card. Proposed law provides that the fee exemptions for the issuance of a driver’s license or special identification card do not apply to the fee (\$50 plus the cost of the license) imposed by R.S. 32:668(B)(1)(a)(i), which provides for the issuance of a restricted, hardship license to an individual whose license is suspended for first refusal or first submission to a test for intoxication and when there has been no prior suspension of the driver’s license.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

There may be an indeterminable but likely insignificant decrease in SGR collected by the Department of Public Safety and Office of Motor Vehicles. The LFO cannot determine the number of veterans that apply for special identification cards each year but the number is anticipated to be minimal.
